

The 2004 Lotus Elise

It's the difference between a performance sports car and a stylish convertible.

Change the rules

The Lotus Elise.

The Lotus Elise delivers a level of agility in performance and driver excitement that is unmatched by any other car. Beyond its distinctively sleek, sinewy exterior, every facet of its world leading design reflects a pure racing heritage that includes seven Formula One World Championships and 79 Grand Prix victories. In the Elise, you will experience scintillating acceleration (0-100kph 5.7sec); appreciate the engineering brilliance of its award winning ride and handling; and feel the reassuring control of its sharp, communicative steering and precise braking. You will know the pleasure of being at one with the road and behind the wheel of the consummate sports car. To taste the difference between a true sports car and a merely stylish convertible, arrange a test drive. With airconditioning now standard, the new 2004 model Lotus Elise offers outstanding value at just **\$74,990***.

*Plus dealer delivery and on-road costs. Driving lights, metallic and pearlescent paint optional. Prices and details correct at time of printing excluding E&O s.
