

Elise Black Edition Elise White Edition

Introducing...

Many things in life make you smile, many make you cry. But few things make your heart race. An orchestra can make your heart sing, envelop you in the moment; as the string instruments reach their crescendo you rise up out of your seat, your whole body is overtaken by the intensity, the adrenaline races through you and makes your hair stand on end.

Sitting in the driver's seat of a new Lotus Elise Black or White Edition is very much the same, but better.

Take your seat and start the engine, the purr of the engine rumbles through the exhaust pipe; music to your ears. You pull away and the anticipation builds, your spine begins to tingle, it's just you and your Elise.

The Elise is the definitive sports roadster, it is the car that sets the standard for performance, ride and handling.

The Elise Black and White Editions; music to your ears

Lotus reserves the right to change vehicle specification and price at any time. Some options may be standard in certain markets. Please check with your local Lotus dealer for details. Where a feature is described as an 'option' etc, you should assume that it will be at extra cost to the base vehicle. Performance results may vary depending upon the specification of the particular vehicle, environmental conditions and driving style. Published figures should be used for comparison purposes only and verification should not be attempted on public roads. Lotus recommends that all local speed and safety laws must be obeyed and safety belts are to be worn at all times. Details of design, supplied equipment, appearance, performance, dimensions, weight, fuel consumption and other product information are correct to the best of our knowledge at the time of going to press. Distributors and dealers are not agents of Lotus and have absolutely no authority to bind Lotus by any express or implied undertaking or representation. All vehicles should be purchased through an authorised Lotus dealership, please see dealer locator on www.group Lotus.com. Purchasers statutory rights are not affected.
