

Trim

by Lotus

Change the rules

The trim service is available for nearly all Lotus cars past and present. Whether your car's interior is in need of restoration, you are choosing options from the trim service catalogue or would like a design of your own to become reality, all options can be considered.

For advice or further information regarding the trim service please contact Mel Broome of the Lotus Cars Aftersales department on: +44 (0)1953 608153

To take advantage of this bespoke trim service or for further details regarding this or any other detail please contact your local authorised Lotus Cars UK dealers aftersales department.

Lotus Cars reserves the right to refuse or amend customer orders at time of placing the order with the aftersales department in your authorised dealer.
