

# Trim

by Lotus

Interior Design Supplement '06

*Change the rules*

The options in this brochure are based on the Lotus 06 MY Sports and standard Elise/Exige seats.

The designs incorporate Probax technology\* and can be modified by Lotus for earlier Elise/Exige seats.

The colours and materials used are leather and microfibre, these can be varied to suit individual customer specifications, subject to delivery, lead-time and possible price change.

Lotus Aftersales are pleased to offer a bespoke individual trimming service for your car.

Please feel free to contact Lotus Aftersales by e-mailing Mel Broome at [mbroome@lotuscars.co.uk](mailto:mbroome@lotuscars.co.uk) with your requirements.

A free quotation will be given.

Please note this service is not limited to Elise/Exige variants.

Please also refer to the Lotus Aftersales full trim brochure, publication number LOTVS05083, available from your nearest Lotus dealer.

Further information and illustrations are available on our web site:

[www.grouplotus.com/lotuscars/aftersales/trim](http://www.grouplotus.com/lotuscars/aftersales/trim)

\*Probax R seats are manufactured under license from Nubax Limited. (Patent pending WO2005/120293).  
Lotus Cars reserves the right to refuse or amend customer orders at time of placing the order with the Aftersales Department or your Authorised Dealer.

Design 1

Design 7

Carbon effect and plain leather outers with plain and perforated leather centres

Design 8

Plain leather outers with perforated leather centres

Design 9

Plain leather outers with perforated leather centres

Use our new seat designs to customise your car interior.

The tunnel cover and door panel insert shown opposite can accentuate the seat designs, creating an interior which is individual to you.

Tunnel Cover

Made in leather to match the seats\*

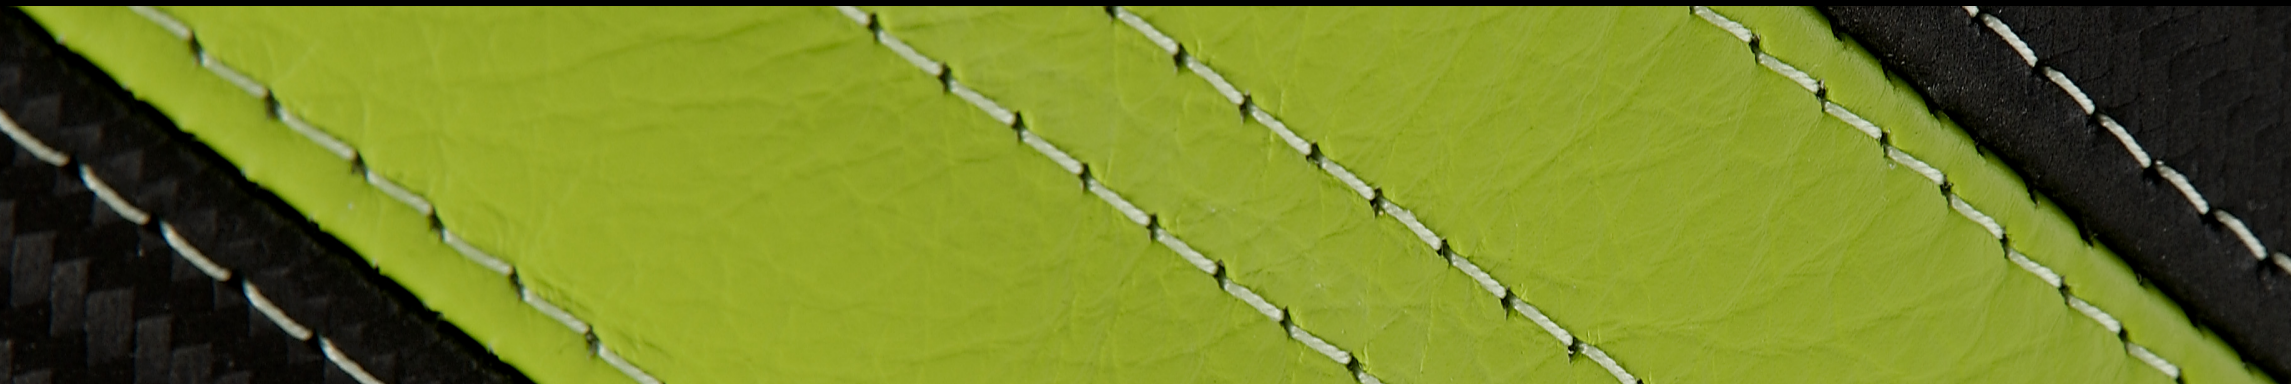

Door Panel Insert

Made in carbon leather with plain leather stripe

\*Please note that the silver coloured handbrake finisher is for effect only, the finisher will be covered in leather.

A close-up of the 'ELISE' logo embroidered in silver thread on a lime green leather surface. The logo is positioned on the upper part of a seat, and the stitching is precise and detailed.
